

★ A GUIDE TO YOUR ★ GRANDPARENTS

*decisions, suggestions, &
a step-through of your upcoming
cap & gown shoot :)*

the route

this is the "base" route that covers the most popular spots around campus

other spots (union, your major buildings, etc.) that you'd like can be along it!

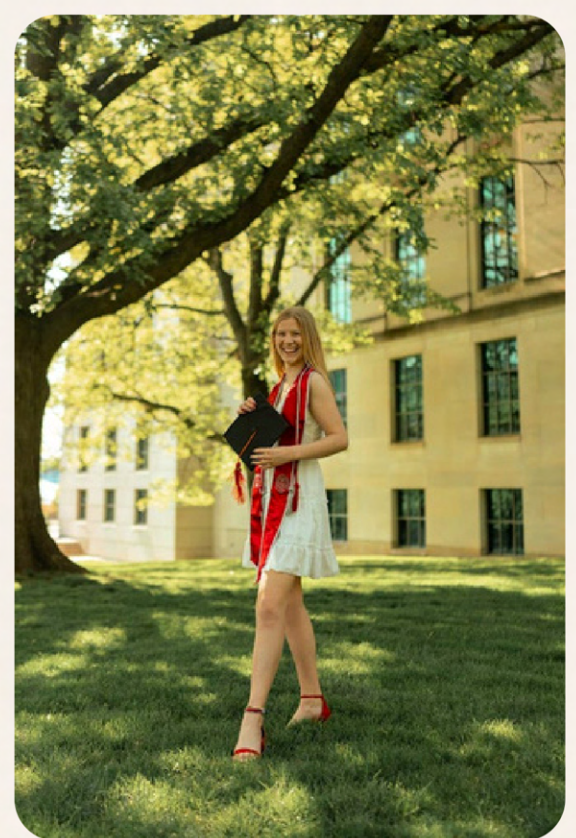

pro tip!

*if your shoes are difficult to walk in,
maybe bring another pair for
stozsor any longer distances :)*

i. thompson library

here & university hall are most
common for a cap throw!

ii. mirror lake

mirror lake is my favorite spot, there's so much greenery & beautiful compositions to find!

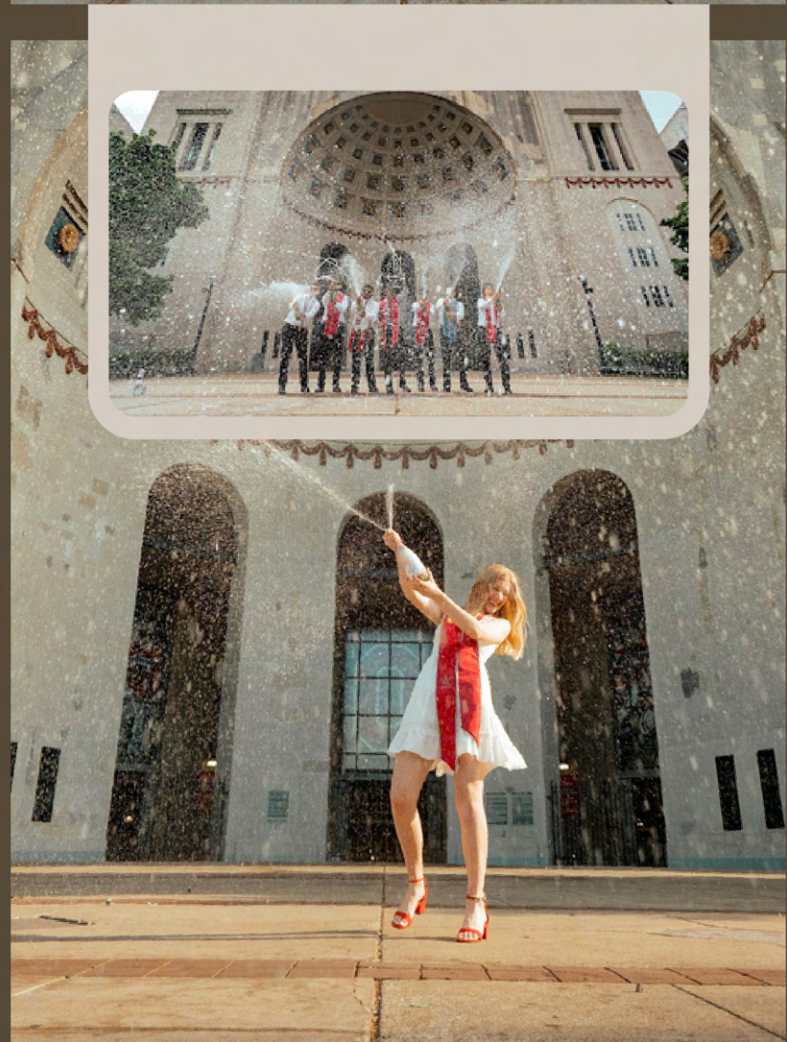

iii. the shoe

i go for a wider shot than most people here to include as much of the rotunda as possible!

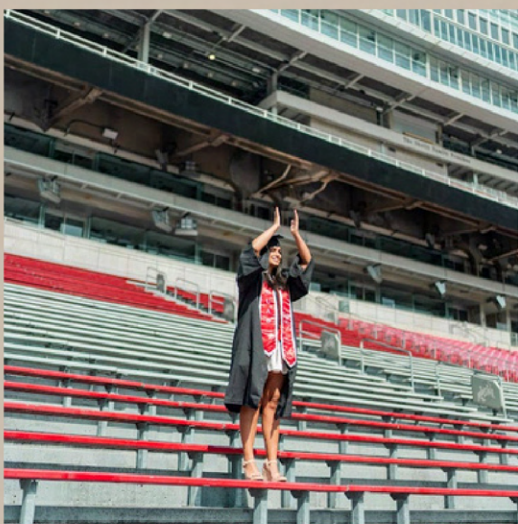

iv. champagne

*if you decide to bring champagne, most people do it
at the rotunda; it WILL get on you and is a little hit
or miss. either option is fine!*

v. everything else

major buildings, dining/bars, the union -
anywhere else that makes OSU home for you!

OUTFIT!

a second outfit can be similarly 'formal' or you can bring a more casual t-shirt, jersey, or pullover!

under the gown,

instead of the gown, here we used primarily the stole & cords as the "regalia"

here, a black dress & stole!
